

Dear Member,

Club 50/50 Lottery for 2017:

Fancy joining the Club Lottery - or, if you are already a participant, would you like to add to your numbers? It costs just £1 per number per month and half the proceeds are paid out in prize-money.

There are 10 draws a year (March-December) and the sum paid out to the lucky winners will depend on the number of tickets sold for each draw.

You can pay for a whole year by cheque or cash - or pay monthly by Standing Order. An application form and Standing Order authority for your bank are provided (below) to assist you.

The Lottery has the potential to raise hundreds of pounds to help run the Club and full details are displayed on the notice-board in the bar.
