

HYPHE CRICKET & SQUASH CLUB COMMUNITY CHARITY EVENT

9am until 11pm on Saturday 2nd July 2022

The Grove Ladies Walk Hythe CT21 6AX

Hythe Cricket and Squash Club is organising a sports fundraising **FUN-ding day in a bid to raise money for Cancer Research UK. Other local sports clubs in the community are also organising events in the runup to this day, our thanks to them and all the community supporting us.**

On the day we will be undertaking several sporting activities for all ages to participate in - such as squash, racketball, cricket, football, tennis, bowls, rowing, boxing, table tennis, pétanque - along with Live Music all day supported by BBQ, licenced bar, and many other activities. Ending the day with a Disco celebration.

The event is being organised as a memorial to Pam O'Donovan who very sadly passed away to Breast Cancer in March 2021. Pam was highly active at the club as a Steward over many years with her husband Chris O'Donovan.

The event facilitator Dave Hall said: *"We are holding the event to honour the memory of Pam and raise much needed funds for Cancer Research UK. With an ambitious target of many thousands of pounds being raised. We are a remarkably close community and want to bring everyone together to enjoy a special day with activities for all ages"*

Sherrill Hawker, Cancer Research UK fundraising spokesperson for Kent, said: *"The Cricket & Squash Club is an absolute inspiration, and we can't thank them enough for playing a part in helping to beat cancer. It's going to be a fantastic event"*

"Cancer survival in the UK has doubled since the early 1970s and Cancer Research UK's work has been at the heart of that progress. However, we have only been able to achieve this thanks to the dedication and generosity of volunteers and supporters like the members of Hythe Cricket and Squash Club. Without whom we would not be able to fund outstanding scientists, doctors, and nurses. One in two of us will get cancer in our lifetime. All of us can support the research that will beat it."
